Big sound in a small footprint

DUCK'N'COVER is a 'super duo': two seasoned musical entertainers who together sound like a full band, aided by the latest in digital music technology using mobile devices, able to set up and perform in tight quarters. *Unlike a full band, volume can be tailored to fit the situation.* **Suitable for listening and dancing.**

Powerful musical arrangements produced by keyboardist/guitarist/tunesmith **JIM DUCKEN** help provide the essential elements that produce the tremendous sound of **DUCK'N'COVER**. Jim owned and operated the **Mr. Music** store in Oak Harbor for 25 years. He played in a number of area bands including **NIGHT FLIGHT**(1989-1998) **TIMEPIECE** (1998-2004) & **DECEPTION CONNECTION** (2007-2020).

TOM MULLIN played in 45+ working musical acts over 5+ decades, including **DECEPTION CONNECTION**. Moving to the Pacific Northwest in 2003, he co-founded the Whidbey-based **KG3 BAND**, which released a critically acclaimed CD album 'Not So Much' in 2005. Later Tom joined the Seattle tribute band scene as part of 5 different acts, including **FEVER 103** (tribute to **Foreigner**). *Past acts included **JOHN JR ROBINSON** (the most recorded drummer in history), and **DENNIS PROVVISOR** (famously of **THE GRASS ROOTS**).*

PLAYING **DANCEABLE 60'S-80'S CLASSIC HITS** FROM THE **EAGLES**, **THE ROLLING STONES**, **STEELY DAN**, **THE MOODY BLUES**, **STEVIE RAY VAUGHAN**, **SANTANA**, **ZZ TOP**, **DIRE STRAITS**, **ERIC CLAPTON**, **CREEDENCE CLEARWATER REVIVAL**, **VAN MORRISON**, **THE DOOBIE BROTHERS**, **THE DOORS**, **THE CARS**, **GLENN FREY**, **THE KINKS**, **BROOKS AND DUNN**, **BACHMAN-TURNER OVERDRIVE**, **THE YOUNG RASCALS**, **CHUCK BERRY**, **DEL SHANNON**, **PAUL REVERE AND THE RAIDERS**, **THE HOLLIES**, **ROY ORBISON**, **NEIL DIAMOND**, AND MORE
